**CAUSE**

The offender has been unemployed since the start of the supervision term in May 2003 and, as a result, he has made only a fraction of the required monthly fine payments. The offender has been referred to a number of job placement and staffing services, however he has not followed through with these directives. Moreover, the offender has tested positive for marijuana five times since March 2005, this not including his most recent positive drug test on September 20, 2005. On the same date, McCray was directed to attend NA meetings in Newark on a weekly basis. He has since failed to attend two of these meetings.
